

## **Continuing Education for Washington State Teachers**

Gage Academy of Art offers Washington state teacher clock hour credits for select Gage classes in drawing, painting and sculpting. Clock-hour eligible courses are listed in the Gage catalog with a clock icon and in online listings with a note at the bottom of each eligible course.

In addition to the course tuition, there is an administrative fee of \$75 per 30 hours of instruction time offered, due upon completion of the course. Clock hours are measured as every 60 minutes of instruction.

Please note that it is the student's responsibility to submit his/her clock hour paperwork (provided by Gage) to the [Office of Superintendent of Public Instruction](#), or OSPI, in order to document his/her hours.

Students who want to register for classes eligible for clock hours are encouraged to do so early and should contact the Gage Registrar, Margaretta Lantz, at 206-323-GAGE x 10.
